Other Business

Remaining church property will be distributed to members, as requested, and if not claimed it will be given to charity.

Rev. Sherry reported that the Comerica loan had a prepayment penalty. The provision was written in the loan terms, but it was stated in unclear language.

The appraisal amount of the CLF property was not disclosed but our Realtor, Earle Shroyer, says it was likely not more than the sales price.

The buyers made a very low final offer on some of our personal property. The Board decided to decline the offer because it was not a valid offer for the property.
