

TREATMENT FOR SUPPLY

(Science of Mind, p. 263)

I am surrounded by Pure Spirit, by God, the Living Spirit. My thought is God thought, and it is the law unto that thing whereunto it is spoken. Everything that I do shall be a success. I am led, guided and inspired by the Living Spirit of Love and of right action. I am compelled to move in the right direction and to always know what to do, *where*, and *how* to do it.

I am surrounded by right action. I am filled with the consciousness of right action. Right action is success in all that I undertake to do. I am successful in all my undertakings, and I am compensated for all my efforts. I am surrounded by Substance, which is always taking the form of supply and always manifesting Itself to me in the form of whatever my need may be at the time.

I always have an abundance of money and an abundance of whatever it takes to make life happy and opulent. There is a continuous movement toward me of supply, of money, of all that I need to express the fullest life, happiness and action.

I have an inner understanding of my place in the Universe. I know that it is unique. The Divine does not incarnate in anyone else in just the same individual way that It has in me. I am unique and forever individualized. Therefore, I do not need to imitate anyone or to long for the good that belongs to another. All good is now mine and is now manifest in my experience. I do not compete with anyone, for I am and remain forever myself. This self is united with all selves, but is always an individual and a unique self.

There is that in me which all people recognize as worth while and desirable, and everyone whom I meet loves this self of mine and recognizes its worth. I draw all toward me and those whom I can benefit and those who can benefit me are irresistibly drawn toward me. I do not strain, will or coerce. I know. The Truth makes me free from the fear of poverty or bondage, and emancipates me from the thought of limitation. I see that money, like everything else that is desirable, must be a spiritual idea, and I know that I have this idea right in my mind at this moment. I shall always have this idea of abundance. It is mine and I take it.

The opportunity for self-expression and compensation is always open to me and I am at all times compelled to know, accept and operate upon this opportunity. I have abundance because I am abundance. "All that the Father hath is mine."

AND SO IT IS!
